

## House Watch Form

**Tips:** Please do not advertise to a lot of people that you will be leaving or be away for a while. Leave a light on inside your residence and / or business to not have the appearance of being empty or vacant. Use motion lights or some other kind of lighting to illuminate the outside of the residence or business. Contact the Post Office and / or paper service to stop service while you are gone. In trust one or two people to have a key and / or security code to check on property as well as assist law enforcement if needed.
